

Professional Reference Letter For Nurses

Dear Sir/Madam

It is with great happiness that I endorse Claire as the next clinical nurse at Lennox Hill Hospital. I worked with Claire for Five years, and I can tell you with confidence that she has a big sense of accountability and dedication to her work and her patients. She now wishes to try a different department and touch more lives and hence, I endorse her to you.

As a nurse, Claire shows respect and professionalism that makes her loved and respected by per patients and the doctors alike. She is entrusted with the most difficult cases, and she executes it effortlessly
